### PRO TIPS

Make sure to let your client know that it's advisable to stay out of the sun for at least 24 hours

A series of 3 one week apart is recommended

-Recommended Treatment Cost: \$120 +

### STEP 1

#### **Cleanse**

*1st cleanse: Matrigen Enzyme cleanser*

*Second cleanse: Apply Matrigen Enzyme Cleanser and lay a translucent esthetic wrap™ overtop for 5 to 7 minutes*

*Perform extractions if needed*

### STEP 2

#### **Omega Green**

*Apply Omega Green treatment to the skin and nano-needle into the skin  
Apply another translucent esthetic wrap™ overtop*

### STEP 3

#### **LED**

*Without removing mask, place client under blue LED for 20 minutes*

### STEP 4

#### **LED ROUND 2**

*Remove Omega Green mask, and with clean dry skin, do a second round of RED LED for 10 minutes*

### STEP 5

#### **TREAT AND PROTECT**

*Apply O'Melon's Lactozyme solution and apply an SPF overtop.*
